

**ONLINE MASTER'S DEGREE**

# Elementary Teaching

**Learn to design and deliver integrated, differentiated instruction to your students.**

The Master of Arts in Elementary Teaching degree is designed for those who want to be elementary teachers but have bachelor's degrees in non-education fields. By building a solid foundation in elementary education, you'll earn a master's degree and be prepared for a career of working with young learners.

Total program cost\*

# \$10,500

- 34 credits
- 21.5 months to completion
- Term starts in April, August and November

# #2

Top Online  
Colleges in  
America\*\*

**How you'll get there:**

- ➔ Prepare to teach in K-6 classroom settings using effective curriculum design, instructional methods, assessment and classroom management strategies.
- ➔ Take 14 five-week courses and one 15-week student teaching practicum.
- ➔ Complete a capstone experience at the end of your program that allows you to apply the strategies you've learned to the real world.

**Program admission requirements:**

- ➔ Bachelor's or highest post-baccalaureate degree earned
- ➔ Minimum GPA of 3.0 on 4.0 scale for full admission
- ➔ Minimum GPA of 2.5 if accompanied by 5 years of documented professional experience related to the content area in which the applicant seeks licensure
- ➔ Additional documents are required

*This program is designed to prepare students for eligibility for initial teacher licensure and has been approved as meeting the initial teacher licensure requirements in the state of Indiana.*
